So this website help in giving the locations in finding out famous places , restaurants, hotels, bus stops, hospitals, colleges and more. And it also provides the emergency helpline numbers.

Keywords - website, Location, travel guide, tourist etc.

1. INTRODUCTION

Solapur city is the center for cotton producing mills and power looms and is also admired for its textiles making it primary travel objective for businessmen. Solapur also produces tobacco in Maharashtra. The city is well-known for tanning, wool weaving, carpentry, oil mills, bamboo, rope, pottery and leather work [1].It expresses a diverse culture and welcome tourists and travelers with wide opened arms and friendliness. Locals of the city are very warm and welcoming and are also very hard working. People of Solapur have special attraction for art and literature. It has given birth to many decisive achievers in the field of art and literature. Lavani and Dhangari Gaja are two major dance forms that are carried out in festivals. Fair and Festivals also form main part of culture of Solapur. Shopping is a requisite if you are

in this city that is famous for garments and jewelry. As all the holiday convoy of Solapur states clearly that the city has very well organized infrastructure and commuting options. When in Solapur, try its cuisines that are easily available in the local restaurants like Khara Mutton, different kinds of chutneys made from peanuts like Senga chutney, sheera as the dessert and many more. Most of the restaurants in Solapur provide vegetarian menu, even if some do prepare non-veg delicacies

It includes natural factors like relief features, climate, flora, fauna, different amenities, accessibility, political support, availability of labours etc. Solapur district has suitable nature, climate, rich flora and fauna to develop the places of tourist's attractions. Solapur is unique in religious activities. There are numerous places which have religious importance. Transportation, tourism, telecommunication, water, power, entertainment and way side amenities like auto-service centers, petrol pumps, public toilets etc. Such types of facilities are available to some extent in Solapur.

2. BACKGROUND

Tour and Travelling new things is the enthusiasm of every human being. Now a day's, the people are tires from the regular activities and need some break. So , the Travel is the best option to be open to nature.Travel and tourism is the largest service industry in India.The sector has forecasted to grow at an yearly rate of 6.9% to ₹32.05 lakh crore by 2028. It's unique culture and traditions, have made Solapur one of the most popular tourist destinations in Maharashtra.The city is famous for its chaddar, beedi,handloom and power-loom industries. The city has lovely temples, historical monuments, gardens and textile Mills etc.

The Paper focuses on the following:-
1. To know about different destinations and Famous Places of Solapur.
2. To find out the motive to visit to the Smart City

Solapur.

3. To know the causes for selecting this City as a tourist destination.

Tourism means coming across the culture, location, languages and activities in the particular City. Solapur's culture and heritage has to be encouraged and promoted in order to develop tourism. Like Solapur Most of the villages in Maharashtra is having probability to attract tourist, but because of the unimproved infrastructural facilities, somewhere it is lacking behind.

3. COMPARATIVE STUDY

Before development of Solapur Tourism : A review of tourism development in the Smart City Solapur.   website, we studied the environment and existing website such as Solapur tourism guide design based on internet environment, results of the comparative study are derived after detailing and scanty study of the advantages and disadvantages of the above website and also by the user experience on the website where it provides the less number of famous places to be displayed where as our website gives location of different places. And also provides the guidance about restaurants, hotels, bus stops, etc. which is better than them. So, our website gives advanced feature of locating/guiding more places compared to their website.

4. PROPOSED WORK

Solapur Tourism : A review of tourism development in the Smart City Solapur website is very helpful website for the people /tourists who want's to visit different places in the Solapur. It gives the information about various places and also helps the people by getting the locations of the places they are willing.
